## WE HAVE MOVED ACROSS TOWN (STILL IN KERRVILLE)

Old Address:

New Address:

*Have you ever tried to second guess God? We THOUGHT we were moving in response to His leading last year as we engaged in an effort to combine several ministries.*

*But as He says in Isaiah 55:8, "For my thoughts are not your thoughts, neither are your ways my ways, declares the Lord. As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts higher than your thoughts." The note in my Bible says, "God may have something better in store for you."*

*So we stepped back from what WE thought was an incredible opportunity and focused on being quiet before the Lord .*

*We had placed our house on the market and already had a contract on it, so staying where we were was*

*not an option. We really didn't sense we were supposed to leave Kerrville, so we scoured the county looking for a house that would fit the needs of our ministry and our furniture! NOTHING!*

*In desperation, we asked a friend of ours, who is a builder, if he was building any speck homes. He said, "No. But my house is for sale." It only took one look for us to know that this was to be our new home. It is amazing what can happen when you allow the Lord to be your real estate agent!*

*So how will this move impact our ministry? Even though the house is smaller, it is designed in such a way that we each have a ministry office. We no longer have the responsibility of a cottage (boo-hoo) or a large yard (yea!) for upkeep.*

*Dan's time has been directed toward developing a mentoring/apprenticeship program for those we*

*have trained in prayer ministry who are interested in doing ministry themselves. This in addition to a full slate of ministry himself.*

*Ann is investigating the possibility of a couple of women's retreats this spring, and is already getting feedback from those who have read her book. She also meets with several women every week.*

*Isaiah 55:12 says, "You will go out in joy and be led forth in peace; the mountains and the hills will burst forth into song before you, the trees of the field will clap their hands."*

*Even in the midst of our stumbling, we have gone out in joy and been led forth in peace. The Lord as been so gracious in affirming that we are in just the right place for this time in our lives.*

The response to Ann's book has been astonishing!

*"I couldn't put it down. It just flows."* G.T.

*"This book is very powerful! It will touch so many lives!"* L.M.

*"Thank you for having the courage to share your story."*

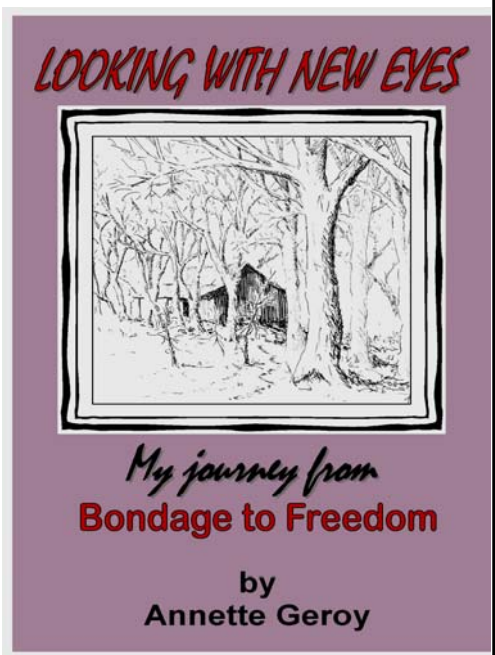

*The door is just opening."* B.H.

*"You have shared the Lord's love so beautifully."* R.B.

*"I've read your book. I can't stop telling my friend about it."* C.V.

*"Where can I get a copy for the counselor at our church?"* P.K.

Jane and Jude Geroy

**Update:**

Jude and Jane returned to the states in August after a year of missions school in Tlaxiaco, Mexico. For the past six months they have been working on acquiring missionary visas for Brazil. Part of this process involved being ordained by their local church, Soul Café, in November. Working through language barriers was a challenge, but their applications have been accepted and their visas issued. They will be leaving February 21st for four months of language school in Bauru, Brazil. Then they will move to Niteroi (just across the bay from Rio de Janeiro), where they will be associated with the Igreja Presbiteriana Betania.

**Prayer Requests**

- Peace as we release our children to Brazil
- The delays have been incredible. Pray for the rest of Ann's books to arrive
- Wisdom in developing a prayer ministry TEAM
- Prayer warriors to provide a daily prayer covering for MHH
- Prayer for those who come for ministry
- Praise for those who respond to the prompting of the Holy Spirit in providing continued financial support for MHH
