## Mount Horeb House Ministries Report Card

Have you ever waited in anticipation for your report card? MHH's report card is in and we are very excited about the results.

In order to better serve our clients (ministry recipients) and get a pulse on how we are doing in delivering ministry at Mount Horeb House, a follow-up survey was developed. In April we sent the survey out to 100 of our former clients. We were pleased that 48 surveys were returned.

### Snapshot of Results

- 85% of those who received ministry said that their experience was the **most beneficial thing they had ever tried or was very helpful.**
- 94% of those receiving ministry stated that the memories where lie-based thinking was present had been **completely resolved or were significantly less painful**
- 100% of those surveyed said that **they would refer someone else to MHH**
- 67% said that they had **significant positive change from addictive behaviors**
- 67% said that they had **significant positive change in relational issues**
- 61% of those ministered to said that **their experience with God deepened enormously or significantly**

### Testimonies from the Follow-up Survey:

*"I believe everyone should go through this ministry. There are so many issues that affect who we are that need the truth in order to be healed and be all God's called us to be."* G.A.

*"This ministry is critical - it offers a real, reasonable way of connecting to the Lord and receiving healing. It offers hope and permanent life change! Instead of being numb – I can feel again."* M. F.

*"I found the counseling at Mt Horeb to be very warm and safe. I have recommended others and will continue to use their services as I find the need to."* L. L.

*"While the situation for which I sought ministry has not all together changed, I myself have changed. I found peace and joy in the situation I'm dealing with." - Bless you!* D. B.

*"The best decision I could have ever made in pursuit of my healing."* G.D.

Prayer ministry recipients could have chosen more than one response.

## Clients

Well, things are still moving quickly, but not as furiously as March and April. Over the past few years June has usually been a slower month. This June is no different. After 27 new clients in April and May and 83 sessions over that same period of time, we needed a breather. The clients we are working with seem to be wounded much more deeply. Two of our team members have been interceding with Ann for some of her clients. We are excited that our prayer ministry team has begun delivering ministry with clients at the offices, as well.

## Adjunct Staff Position

Justin Carpenter has come on board as an Adjunct Staff member. We have known Justin and Lisa for over three years and are thrilled about them working with us. They have just been approved as missionaries with Commission to Every Nation (CTEN) and have started raising support. Be in prayer for Justin and Lisa. (Read more about the Carpenters in our next newsletter.)

## Finances

Would you prayerfully consider partnering with us by filling out the enclosed giving card and making your donation today?

## Trip to Brazil

Ann and I will be traveling to Niteroi, Brazil July 8-23. We will be visiting with Jude, Jane and baby Joel. Their ministry is a very difficult one, working with inner city children. Be in prayer for our safe travels and for those with whom we minister.

## How Can You Help? Fund a scholarship!

Would you consider sponsoring a client for six sessions at a cost of \$300. Your tax deductible contributions should be made to Mount Horeb House. This can be done by check, Master Card, Visa or PAC.
